# Mandala

The word Mandala (pronunciation mon- dah- lah) means "circle". A Mandala represents a cosmic diagram reminding us of our relation to infinity, extending beyond and within our bodies and minds.

The mandala appears to us in all aspects of life, the Earth, the Sun, the Moon and more obviously the circles of life including friends, Mandala are used for meditation purposes allowing the individual meditating to become one with the universe. The symbolism behind the creation of a mandala can have significant meaning for many individual of any religious orientation.

Mandalas can be created by individuals to symbolize their journeys through life. In some cases they will reveal the individual's path in life. Groups can create mandalas that will reveal what they should be doing in order to grow and develop as a group and communities.
